BENEFITS YOU WILL SEE AND VALUE

Flagship's experienced janitorial teams work in some of the most demanding industrial environments, such as biotech, clean rooms, GMP facilities and pharmaceutical companies. Through using Flagship's Intuition, our customized performance management, quality control and inspection platform, we provide our clients with simplified reporting and KPI tracking that ensures their facilities meet the highest standards of quality and safety. Flagship's Janitorial Services will:

- ✓ Increase the quality of your facilities' appearance
- ✓ Improve the consistency and efficiency of cleaning processes & procedures
- ✓ Enhance employee and visitor satisfaction
- ✓ Lower operating expenses
- ✓ Increase budgetary predictability
- ✓ Use "green" cleaning products and practices to create a more sustainable environment

Flagship's Janitorial Services are first rate. Right from the start of the contract, they hit the ground running and in no time at all had our facilities looking better than ever. Beyond Flagship's excellent performance, their people are well trained in what they do and display a genuine commitment to our organization.
