FLAGSHIP AIRPORT SERVICES, SELECTED TO SERVE PHOENIX SKY HARBOR AIRPORT (PHX)

November 5, 2018 San Jose, CA – Flagship Airport Services, Inc. is proud to announce the addition of Phoenix Sky Harbor International Airport (PHX) to our aviation list. PHX was recently named one of the best airports in the country for business travelers according to TravelBank.com.

“PHX is one of the West’s leading airports and we consider it a true honor to have been selected to serve them”, said Jim Mikacich, National Vice President of Sales for Flagship. *“The commitment to customer service that they show day in and day out aligns well with our philosophy and we’re looking forward to helping them further their brand”.*

Flagship will provide day porters and floor care for hard floor and carpeted areas throughout 3 terminals, the outbuildings and rental car center. All these areas will receive service on a 24 X 7, 365 days a year schedule from Flagship using their Intuition software solution to manage all tasks and maintain project integrity.

“Over the years, Flagship has been able to build our aviation portfolio through hard work, integrity, and remaining attuned to the things that matter the most to our customers”, said Mr. Mikacich. *“We’re excited by the addition of PHX to this portfolio and look forward to helping them reach their goals in the years to come”.*

Flagship was founded in 1988 as a one-person operation, dedicated to the delivery of first-class commercial janitorial services. With headquarters in California, we currently provide facilities maintenance solutions to four of the top 10 airports in the nation, based on the 2017 JD Powers Airport Satisfaction Rankings. Since entering the market, we have become a recognized leader by offering a broad range of facilities services. With a staff of nearly 4,000 positioned throughout the United States, our broad suite of services includes facilities management, planning, culinary, and grounds.
